

what is equip 2.0?

Equip 2.0 courses are an intentional set of classes designed to ground the believer in the Christian life. Courses cover a wide range of topics – from basic Bible knowledge to deeper theology, from prayer to interacting with those who believe differently than you. Our desire is that each course will empower you to love God, love others, and make Jesus known.

when?

Sundays from 9 am – 10 am.

where?

Various classrooms throughout the building, most of which are located on the lower level.

who?

Our usual kids and teen courses will be available (including nursery), in addition to the new adult (and teen!) courses listed in this brochure.

how does it work?

We create our courses with intention, the subjects and learning goals taken from our six core values:

Establish believers in the faith
Exalt our Savior
Empower lives through prayer
Extend hope
Engage in grace-filled community
Equip believers for ministry (for more on these, visit eastbaycalvary.org/beliefs).

Check out the self guided Course Map handout to learn more about how we categorize courses and how you can set personal goals for learning!

april - june 2025 course descriptions

Core Course

A foundational course to explain what we believe, eliminate surprises, and connect the new attendee to our intentional plan for growth, service, and belonging in the body of Christ at East Bay Calvary. The class builds on the six Es of our Core Values and is also a prerequisite to church membership.

BIBLE WALKTHROUGH

David to Malachi

David to Malachi continues the story of God and His people from King David's reign through their return from exile, explaining how the story of Israel and Judah continues to point to Jesus and anticipate His coming. Special attention will be paid to how to read poetic and prophetic literature.

THEOLOGY

Man & Sin

A study of humanity as made in the image of God, male and female, the nature of sin, the effects of the fall on our relationship with God, and our need for a Savior.

SPIRITUAL FORMATION

Prayer

Our prayer course equips all participants with foundations of prayer for an ongoing relationship with God. Participants will develop daily, weekly, and seasonal routines and rhythms of life-giving prayer.

ELECTIVES

Evangelism (Women's Study)

This course introduces the necessity of sharing God's good news and the necessary elements of doing so. With intentional prayer for those who don't trust in Jesus and with regular in-class practice, this practical course strives to equip participants so that evangelism becomes a joyful opportunity that we seek out!
